Encroachment of Government Land Around THDC

†2856. SHRI MANOHAR KANT DHYANI : Will the Minister of POWER be pleased to state :

(a) whether it is a fact that a big chunck of land at central place in Tehri Nagar has been made available to the convent educational institution;

(b) whether it is also a fact that the said institution did not have any private land of their own in Tehri Nagar;

(c) if so, the reasons for not extending similar facilities to the educational institutions of other religions; and

(d) whether it is also a fact that such institutions which have had their private property in the central place of the market in old Tehri area have also to remain deprived of the same ?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA) : (a) to (d) The Convent School at Old Tehri Town (OTT) was stated by the project authorities in 1978-79 when the project was being executed by the State Government of Uttar Pradesh as a

† Original Notice of the question was received in Hindi.

State sector project. The land and structure of the school belonged to the project. In terms of the Rehabilitation Policy, adopted by Government of Uttar Pradesh, those who were settled at OTT as on cut-of date 6-6-1985 were entitled to rehabilitation benefits. Accordingly, the then Project Authorities allotted the land to the Convent School on 7-3-1986 in New Tehri Town (NTT). This land was undeveloped and cost of land was deposited by the school authorities.

The educational institutions (both public and private) which existing prior to 6-6-1985 have been allotted land at New Tehri Town irrespective of the fact whether they were having their own land or not.

Setting up of Goutami Power Plant in Andhra Pradesh

2857. SHRI C. RAMACHANDRIAH : Will the Minister of POWER be pleased to state :

(a) whether it is a fact that the Central Electricity Authority has given clearance way back in 1996 to set up a fast track Goutami Plant in Andhra Pradesh;

(b) if so, the details of the project;

(c) whether it is also a fact that the company failed to stick to the deadline agreed upon in an MOU to set up the plant in 18 months; and

(d) if so, the action being contemplated by Government ?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA) : (a) No, Sir. The 358.9 MW Gautami combined cycle power plant in Andhra Pradesh was awarded on the competitive bidding route by the Government of Andhra Pradesh (GOAP) in 1996. the project does not require Techno-economic clearance of the Central Electricity Authority.

(b) The details regarding the project, are as follows :—
